HIGH LEATHER GRADE PRICING

Pricing for LG1–LG3 are provided in the Price List. High fabric grade pricing is applicable to Cora and Lounge products. Pricing from LG5–LG15 are listed in the following pages.

If different textiles are selected for the seat and back, add the multi-upholstery upcharge (UMU) as well, even if the leathers are the same grade.

TASK/SIDE TEXTILE UPCHARGE CALCULATIONS

Pricing for FG1-FG7 and LG1-LG3 are provided in the Price List. Task and side chair upcharges for FG8-FG14, and LG5-LG15 are based on FG7 or LG3 pricing respectively. Multi-upholstery is not provided as a standard option for task or side products. Please contact Customer Experience for information on special ordering task or side chairs with multi-upholstery.

Cora does not use this formula and has multi-upholstery available without special order; see the High Fabric Grade Pricing section for Cora.

Fabric/Vinyl Grade	SitOnIt Textile Upcharge
FG8	FG7 + \$55
FG9	FG7 + \$110
FG10	FG7 + \$165
FG11	FG7 + \$220
FG12	FG7 + \$275
FG13	FG7 + \$330
FG14	FG7 + \$385

Leather Grade	SitOnIt Textile Upcharge
LG4	LG3 + \$170
LG5	LG3 + \$340
LG6	LG3 + \$510
LG7	LG3 + \$680
LG8	LG3 + \$850
LG9	LG3 + \$1,020
LG10	LG3 + \$1,190
LG11	LG3 + \$1,360
LG12	LG3 + \$1,530
LG13	LG3 + \$1,700
LG14	LG3 + \$1,870
LG15	LG3 + \$2,040

Amplify Highback Upholstered Price	\$922
Leather Grade 3	+ \$540
Leather Grade 14	+ \$1,870
	<hr/>
	\$3,332

Unmatched Matching®

Textiles can be everything. With the right fabrics, you can provide atmosphere, create cohesiveness and offer an unforgettable experience across many spaces and places.

Fabric color, alignment, texture, orientation and pattern all play a part—and need to line up or match perfectly (especially with field-replaceable parts). With PatternMatch and pattern orientation, you can rest assured that every part of every chair can be traded out easily without disrupting design.

PatternMatch®

We ensure that design elements of the back, seat and arms match and/or align between seat and back. The patterns or lines also match unit-to-unit.

Pattern Orientation

All fabric (vertical, horizontal or bi-directional pattern) will be applied in the direction shown on the fabric manufacturer's website, unless otherwise specified.

To ensure desired fabric direction, use the Custom Upholstery Order Form on page 49 and check the appropriate box under the "Pattern Orientation" section.

When we apply a textile pattern with lines at a 90-degree angle (vertically and/or horizontally) to the back and seat of a chair, we strive to achieve full alignment. Some small variations can occur due to the shape and size of the product. Pattern Orientation is standard for SitOnIt Seating.

Multi-Upholstery

The multi-upholstery option allows one fabric to be selected for the back and a different fabric for the seat. Multi-upholstery lounge pricing is different than multi-upholstery pricing for task and side seating.

TASK AND SIDE

- Upholstery pricing is based on both seat and back being the same textile. If the material is COM/COL or more than one textile is used:

If two fabrics of the same grade are chosen,

one grade level will be added to the upholstery price.

Example: grade 4 for the seat and a different grade 4 for the back, the upholstery price will be grade 5 for both.

If two fabrics of different grades are chosen,

the final upholstery price will be based on the highest grade.

Example: grade 2 for the seat and grade 3 for the back, the upholstery price will be grade 3 for both.

The above upcharges only apply to chairs that have both the seat and back upholstered.

LOUNGE AND CORA

- A standard upcharge applies to all multi-upholstery orders. Different fabrics and grades may be combined because each back, seat, arm and valance are separately priced.
- Add the single multi-upholstery upcharge to the cost of the components. Example: upcharge + any grade price for the seat + any grade price for the back + any grade price for the arm.

Moisture Barrier

Accidents happen. To help protect your investment, moisture barrier for seats and backs is an option on all lounge seating products.

Specify moisture barrier seats and/or backs in the Material section of the Final Price Calculation worksheet or on your purchase order. Note that specification and pricing are separate for seat and back and apply to each single seat or back position.

CUSTOM UPHOLSTERY FORM

For all COM/COL orders or standard orders with custom textile upholstery directions, please complete one form for each model and/or textile.

Contains flame retardants: Yes No

Prop 65 compliant: Yes No

PFAS compliant (AB1817): Yes No

Per California Proposition 65, we are required to note that select textiles may contain chemicals known to cause cancer or reproductive toxicity. To learn more, please visit the Prop 65 web page.

Fabric Direction

To avoid confusion, you may wish to attach a sample textile with the desired face and direction indicated. Is there a desired top and bottom to the fabric application?

Yes No

Is the fabric either a stripe or two-color plaid?

Yes No

Please refer to our standard and rotated fabric directions to the right. Indicate the desired fabric direction for each applicable component below.

Seat (Ottoman Chassis):	Vertical	Horizontal
Back (Ottoman Top):	Vertical	Horizontal
Arm:	Vertical	Horizontal
Valance:	Vertical	Horizontal

Please attach this form with your order submission.
 If you are submitting a COM/COL order, make sure to include your PO# with the textile that you mail to our factory:

CALIFORNIA PROPOSITION 65

California Proposition 65, also known as the Safe Drinking Water and Toxic Enforcement Act, is a law requiring businesses to notify Californians about significant amounts of chemicals in the products they purchase for their homes or workplaces, or that are released into the environment. By providing this information, Proposition 65 enables Californians to make informed decisions about protecting themselves from exposure to these chemicals. Chemicals included on the Proposition 65 list are those that are known to cause cancer, birth defects or other reproductive harm.

Reference the chart below to view textile patterns where the supplier has identified the potential for exposure to a chemical or chemicals on the Prop 65 list.
