

COM Request Form

For any textile that is not Graded-In or pre-approved for COM, we require:

- 1) a 12x12 memo sample*
- 2) a hard copy of the completed form below

*Please note that our Freelance back, InFlex back, Focus Side back and Acheive back require .75 yards of fabric to be sent for testing.

Send the above pair of items to:

SitOnIt Seating
 ATTN: COM Engineer
 6280 Artesia Blvd.
 Buena Park, CA 90620

TIPS:

- ALL the below fields are required. Submitting an incomplete form will delay the processing of your COM request.
- Need your textile tested for more than one model? No problem. Please make sure to note the names of all models you want your textile tested for under "Product Name."
- Once we receive your package, give us about 48 hours to complete all the required testing. If your textile passes, we'll add it to our Textile Compatibility Library. Check sitonit.net/textilecompatibility to see if your textile shows up. If it does, you're good to go.
- Still got questions? We've got answers. Contact our Customer Experience team at (888) 274-8664—we're happy to help.
