Census: Traditional Design, Unconventional Value

Cypress, CA, August 2004 – In August 2004, SitOnIt Seating will introduce Census, a traditionally designed series that includes both task and conference seating. Census is ideal for those environments where budget-sensitive dependable seating is a must.

Available in 2 conference sizes and 2 task sizes, Census is ideal for numerous applications and can be installed throughout an entire space. Census fits right in at reception stations, workstations and conference rooms.

Census features a conventional look and solid construction complimented by fabric, ballistic nylon or plastic outer back options. Census is an extremely customizable chair at an incredible price.

Census is a value-added addition to a multitude of environments offering style, function and flexibility at a mid-market price point. Census is competitively priced between \$225 list and \$400 list.

Census is the right chair at the right price and proves that you need not compromise quality when the budget is tight. Offered with a 5 year warranty, Census ships 2 to 5 business days from receipt of order, based on textile selection.
