
ReAlign®

Classic comfort

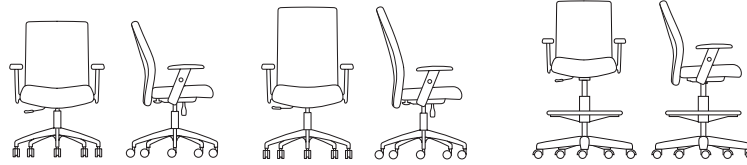

The ReAlign collection is all about contemporary tailored lines and long-lasting comfort. The seat and back are two separate, cushioned pieces. A visco-elastic multi-layer seat cushion provides all-day comfort. The concave and convex back is sculpted for simultaneous ergonomic and aesthetic advantages.

Tailored lines, superior comfort and multiple mechanisms put ReAlign in a class of its own. Perfect for task and conference applications, ReAlign is a seating solution that will stand the test of time.
